The hrw ESL Dictionary and Thesaurus

Designed specifically for French-speaking students who are learning English as a second language, the *HRW ESL Dictionary and Thesaurus*

has everything the students, their parents and their teachers could want. This dictionary is much more than a simple reference work: it's a work and learning tool that includes everything students need to improve their English comprehension and writing skills.

ESL DICTIONARY

More than 20,000 definitions, for a vast, rich vocabulary;
French equivalents for all definitions;
Real definitions worded for the students;
Clear examples;
Writing tools;
Writing Tips and **Word Builders**;
References to the illustrations and the Thesaurus;
Words in the same family, plurals, participles and synonyms.

FRENCH LEXICON

More than 20,000 French words, phrases and expressions, with their English equivalents;
Numerous strategies to make finding words easier.

GRAMMAR

TOOLKIT

Outlines and samples of narrative and descriptive texts;
A condensed grammar;
Writing strategies.

THESAURUS

Banks of words on topics students write about most often, such as characters, descriptions of characters, places, time, the living world, etc.
